

Primary School Dobriša Cesarić participating in Green Fingers project

It is hereby confirmed that Primary School Dobriša Cesarić in Zagreb, Croatia, is participating in the project „GREEN FINGERS – Oasis for Children“. It is a 2-year European Voluntary Service project financed by the Agency for Mobility and EU Programmes through the Erasmus+ programme. The project reference number is 2017-3-HR01-KA105-046864.

The project is a continuation of our ongoing urban gardening project „Oasis for Children“ that started in 2013 and has been engaging international volunteers, children, and teachers in maintaining a school garden in Primary School Dobriša Cesarić. The main objective is to help children and local community in an urban environment reestablish their connection with nature by introducing and promoting urban gardening in practice.

The project consists of the following activities:

- garden works with children, teachers, and international volunteers
- workshops about sustainable development, ecology, and environment protection for children organised by volunteers
- foreign language lessons for children organised by volunteers
- organising a garden festival

Zagreb, 8.5.2019

Filip Brničević
